Statement of Student Leadership at Maseru Preparatory School

Maseru Preparatory School is proud of the large number of students who are able to participate in the student leadership program and contribute to our school to make it what it is today. **“Maseru Prep, the school in the sky, where the students are challenged to reach their potential and fly”** this is our school mission, and means I am learning to become thoughtful of others. This ideal is lined throughout our school community, through student leadership. All people who want to gain a student leadership role should demonstrate this trait and should also model our school values through their behaviour.

As the most significant student leaders in the school, STUDENT LEADERS are expected to be ambassadors who embody the school values

which are REDPECT, RESPONSIBILITY, COMPASSION, INTERGRITY, and OPEN MINDED. They must be approachable, reliable and trustworthy with high expectations of themselves and others. The STUDENT LEADERS are to take an active role in all aspects of the school community and work with others to achieve the best possible outcomes.

STUDENT LEADERS RESPONSIBILITIES.

- Organize formal setting of students during events, assemblies and tour.
